

To

The Commandant

Department of Industrial and Production Engineering

Military Institute of Science and Technology (MIST)

Mirpur Cantonment, Dhaka.

Subject: Application for permission to stay at hall.

Sir, with due respect, I am a level 4 student in Industrial & Production Engineering of MIST. I was a regular resident of Osmany Hall Female Wing before the prevailing corona situation. As a final year student, I have to give time in my academics and thesis work. But this becomes tough to perform as I am facing severe internet issues at home. As my family members are always working from home, there are continuous pressure on net issues. It will be really beneficial for me to stay at the hall from 10th June to continue my academics at a good pace and concentrate on my studies.

I, therefore, hope that you would kindly grant me the permission to stay at the hall and oblige thereby. Thanks for your time & consideration.

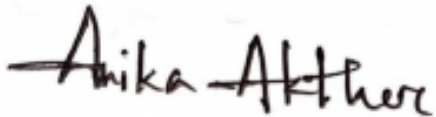

Sincerely yours,

Anika Akther
